Mr. David Sitrin
Deputy Associate Director for National Security
Office of Management and Budget
Washington, D. C. 20503

Dear Dave:

This responds to your letter of June 28th to Admiral Turner in which you asked that this Agency complete a questionnaire relative to authorities or funds for earthquake hazard mitigation purposes. The Central Intelligence Agency has no responsibilities relating to mitigating earthquake hazards and therefore neither receives nor expends funds for this purpose. The questionnaire, enclosed, has been annotated accordingly.

Sincerely,

James H. Taylor
Comptroller

Instructions for Preparation
of OMB Survey of Federal
Earthquake-Related Mitigation Activities

1. Use actual amounts for FY 1976 and FY 1977 appropriations.
2. Use mid-session update (OMB Bulletin 77-10) estimates for FY 1977 obligations and outlays, and FY 1978 budget authority, obligations and outlays.
3. Describe each activity for which any amount is included and explain year to year changes in sufficient detail to provide a good general understanding of them.
4. For grants, loans, insurance, license or permit approvals, provide a succinct explanation of existing acts or regulations which establish specific requirements related to earthquake hazards.
5. Identify the organizations/entities in each of the following sectors with which you have working relationships in the area of earthquake hazards reduction:
 - (a) private sector (e.g., trade associations, design and planning groups, etc.): _____
Not Applicable

 - (b) local government: Not Applicable

 - (c) state government: Not Applicable

 - (d) federal agencies: Not Applicable

6. Briefly explain the nature of the working relationship for each entity indicated above. Continue on separate sheets if needed. Brevity and straightforward description are desired.
